Fiberglass pump barges, pipe floats, & walkways for corrosive environments

Crimar has been supplying pump barges and fiberglass walkways since 1997 for Freeport -McMoRan, Grupo Mexico, Asarco, URS, and many others. Over the past 20 years we have provided more than 200 walkway sections, 100 pipe supports, and 70 pump barges for pumps up to 20,000 lbs.

Easy access to pumps for maintenance

Non-skid surface and OSHA compliant fiberglass handrails for operator safety

Designed so that the center of gravity is below the solution level

Sizing based on pump and motor weight • • •

Foam filled so they will not sink even if damaged

Resistant to aggressive chemicals and ultraviolet rays.
